#### Keys to Success..

- Complete your classwork and homework.
- Copy your HW completely each day.
- Bring home the appropriate books, notebooks & folders for homework.
- Study your multiplication facts...you need to know them "in a snap."
- Have a positive attitude and always do your best.
- Never ever give up or say "I can't."

-----  
As always, feel free to contact us with any questions or concerns.

Mrs. Bermant, Ms. Franco, Mrs. Golub, Ms. Martello, Ms. Hall, Mrs. Carapazza ☺

#### On the Academic Front

**Reading**-Readers will understand the central message/main idea by finding supporting details in fiction and nonfiction texts.

**Writing**-Writers will write Informational Texts by researching a topic and including text features.

**Math**-Mathematicians will use Multiplication Facts & Strategies to solve word problems.

**Science**-Scientists will learn about different forms of Energy.

**Social Studies**-Historians will learn about China's geography, culture and history.

#### REMINDERS

- \*Please check your child's HW planner and folder each day
- \*Make sure HW is completed and backpacks are packed
- \*Make sure supplies are replenished as needed

#### Sanford Harmony

We have started a new Social/Emotional program to enhance interpersonal and communication skills amongst the students. We buddy up and meet in whole group to have discussions on various topics. You can build upon these skills at home by engaging your child in conversation and working on their social/emotional well-being.
